REPORTING ON CLOSED SESSION:

INITIAL OPEN PUBLIC COMMENT PERIOD OF ORAL COMMUNICATIONS: (Two minutes on any matter concerning City Business.)

There are four segments of Oral Communications during the Council Meeting. The first precedes the Closed Session items, the second and third segments precede the main part of the City Council's business (but follow announcements and public hearings), and the fourth is at the end of the meeting following all other City business.

Closed Session Oral Communications. During this period of oral communications, the

public may comment only on items listed on the Closed Session Agenda(s). A **PINK** card must be completed and presented to the City Clerk. Comments will be limited to **three** minutes.

Initial Open Public Comment Period of Oral Communications. During this period of Oral Communications, the public may comment on any matter concerning City Business. A **BLUE** card must be completed and presented to the City Clerk. NOTE: Any person speaking during this segment may not speak during the third period of Oral Communications. Comments will be limited to **two** minutes.

Agenda Item Oral Communications. This segment of Oral Communications immediately follows the first period, but is limited to comments on agenda items for this meeting. For this segment, a **YELLOW** card must be completed and presented to the City Clerk. Comments will be limited to **four** minutes.

Final Open Public Comment Period of Oral Communications. This segment of oral communications follows the conclusion of agenda items at the end of the meeting. The public may comment at this time on any matter concerning City Business. NOTE: Any member of the public speaking at the Initial Open Public Comment Period of Oral Communications may not speak during this segment. For this segment, a **GREEN** card must be completed and presented to the City Clerk. Comments will be limited to **two** minutes.

City Business. City business is defined as any matter that is under the jurisdiction of the City Council. Although other topics may be of interest to some people, if those topics are not under City Council jurisdiction, they are not City business and may not be discussed during Oral Communications.

Videotapes/Audiotapes. Videotapes or audiotapes may be presented by any member of the public at any period of Oral Communications or at any public hearing. Such tapes may not exceed the time limit of the applicable Oral Communications period or any public comment period during a public hearing. The playing time for the tape shall be counted as part of the allowed speaking time of that member of the public during that period.

Videotapes must be delivered to the Public Information Office by no later than 10:00 a.m. on the morning of the Council meeting in a format compatible with the City's video equipment. Neither videotapes nor audiotapes will be reviewed for content or edited by the City prior to the meeting, but it is suggested that the tapes not include material that is slanderous, pornographic, demeaning to any person or group of people, an invasion of privacy of any person, or inclusive of material covered by copyright.

Printed on the videocassette cover should be the name of the speaker, the period of oral communication the tape is to be played, and the total running time of the segment. The Public Information Office is not responsible for "cueing up" tapes, rewinding tapes, or fast forwarding tapes. To prevent errors, there should be ten seconds of blank tape at the beginning and end of the segment to be played. Additionally, the speaker should provide the first sentence on the tape as the "in cue" and the last sentence as the "out cue".

As with all Oral Communications, videotapes and audiotapes are limited to the subject matter

jurisdiction of the City and may be declared out of order by the Mayor.

Disruptive Conduct. The Council requests that you observe the order and decorum of our Council Chamber by turning off or setting to vibrate all cellular telephones and pagers, and that you refrain from making personal, impertinent, or slanderous remarks. Boisterous and disruptive behavior while the Council is in session, and the display of signs in a manner which violates the rights of others or prevents others from watching or fully participating in the Council meeting, is a violation of our Municipal Code and any person who engages in such conduct can be ordered to leave the Council Chamber by the Mayor.

Once an individual is requested to leave the Council Chamber by the Mayor, that individual may not return to the Council Chamber for the remainder of the meeting. BMC §2-216(b).

Individuals standing in the Council Chamber will be required to take a seat. Also, no materials shall be placed in the aisles in order to keep the aisles open and passable. BMC §2-217(b).

Your participation in City Council meetings is welcome and your courtesy will be appreciated.

COUNCIL AND STAFF RESPONSE TO INITIAL OPEN PUBLIC COMMENT PERIOD OF ORAL COMMUNICATIONS:

AGENDA ITEM ORAL COMMUNICATIONS: (Four minutes on Agenda items only.)

COUNCIL AND STAFF RESPONSE TO AGENDA ITEM ORAL COMMUNICATIONS:

CONSENT CALENDAR: (Items 1 and 2)

The following items may be enacted by one motion. There will be no separate discussion on these items unless a Council Member so requests, in which event the item will be removed from the consent calendar and considered in its normal sequence on the agenda. A **roll call** vote is required for the consent calendar.

1. MINUTES:

Approval of minutes for the adjourned meeting of July 21, 2004 and the regular meeting of July 27, 2004.

Recommendation:

Approve as submitted.

2. AMENDMENT TO THE CLASSIFICATION, PAY PLAN AND CONFLICT OF INTEREST CODE BY ABOLISHING CERTAIN JOB TITLES AND SPECIFICATIONS:

The City occasionally reviews its list of titles and specifications in an effort to abolish old and inactive classifications from the City's current files. This abolishment review was last conducted and presented to the Council in 1995. Since then, the number of inactive titles has increased due to reorganizations and other changes within the various departments. The affected departments and unions have reviewed and approved the titles and specifications for abolishment. The Civil Service Board reviewed and approved the titles and specifications for abolishment at their regular meeting on August 12, 2004. These specifications, although abolished, will be permanently maintained in the City's historical records for use in the future should needs change. The removal of the old and inactive titles and specifications from current files and computer programs will increase the City's operational efficiency. There is no fiscal impact from the abolishment of these titles and specifications.

Recommendation:

Adoption of proposed resolution entitled:

A RESOLUTION OF THE COUNCIL OF THE CITY OF BURBANK AMENDING THE CLASSIFICATION, PAY PLAN AND CONFLICT OF INTEREST CODE BY APPROVING THE ABOLISHMENT OF CERTAIN JOB TITLES AND SPECIFICATIONS.

END OF CONSENT CALENDAR

REPORT TO COUNCIL:

3. DISCUSSION OF RESIDENTIAL FENCE REQUIREMENTS AND RELATED ISSUES:

The purpose of this report is to summarize the current situation that the City is facing relative to fence and hedge Burbank Municipal Code (Code) violations. Staff will discuss the history of the Code with regard to this issue, Code enforcement policies and alternatives, and propose options for amending the Code in an effort to address the problems.

Over the years it has become evident that numerous front yard fence violations exist within the City, mostly in the single-family residential zones. These violations occur when fences (fences include walls and hedges) over three feet are erected within the front and side yard setbacks. There are various competing interests with regard to this issue that include safety and security issues as well as aesthetic impact. Enforcement of violations has been on a reactive basis which often results in neighbors turning against neighbors.

Recommendation:

Staff recommends that the Council discuss this matter and give direction for Code changes and community outreach.

FINAL OPEN PUBLIC COMMENT PERIOD OF ORAL COMMUNICATIONS: (Two minutes on any matter concerning the business of the City.)

This is the time for the Final Open Public Comment Period of Oral Communications. Each speaker will be allowed a maximum of **TWO** minutes and may speak on any matter concerning the business of the City. However, any speaker that spoke during the Initial Open Public Comment Period of Oral Communications may not speak during the Final Open Public Comment Period of Oral Communications.

For this segment, a **GREEN** card must be completed, indicating the matter to be discussed, and presented to the City Clerk.
