Adopt FY 2001-
2002 Annual
Budget, Citywide
Fee Schedule &
Appro. Limit Mr. Hanway, Financial Services Director, reported on the request for City Council, Redevelopment Agency, Housing Authority, Parking Authority and Youth Endowment Services (YES) Fund approval of the proposed Annual Budget for Fiscal Year (FY) 2001-02, Citywide Fee Schedule, and Appropriations Limit. He noted that the total proposed resources for all funds for FY 2001-02 are \$586,179,956 and the total proposed appropriations are \$579,449,928.

He explained that the proposed Citywide Fee Schedule is reviewed and updated annually as part of the budget process in an effort to document all fees, charges, taxes, rates and fines that have been revised or changed during the previous year. He noted that at the June 12, 2001 public hearing, the Council directed staff to change the permit parking fees from \$3 to \$4 per annual permit rather than the proposed \$6 cost per permit.

Lastly, Mr. Hanway discussed that the City is required by State law to establish an appropriation limit each fiscal year.

He said that only those revenues received from proceeds of taxes are subject to this limit. He then noted that the City's FY 2001-02 appropriation limit is estimated to be \$98,919,348 with the actual amount of the appropriation contained in the budget that is subject to the limit being

\$78,880,887. Thus, he said that the difference between the City's appropriation limit and the amount subject to it \$20,038,461 which results in the City having a significant gap between its legal limit and the actual appropriations subject to the limit.

Motion It was moved by Mr. Golonski and seconded by Mrs. Murphy that "the following resolutions be passed and adopted:"

City Council Reso. Adopted City Council Resolution No. 26,030 Adopting the Budget for Fiscal Year 2001-02, Providing for the Transfer of Revenue from the Burbank Water & Power Department to the General Fund, and Making Appropriations for Amounts Budgeted was adopted.
