Staff  
Report

Mr. Torrez, Financial Services Director, presented the Proposed Fiscal Year (FY) 2006-07 Budget, Citywide Fee Schedule and Appropriations Limit. He stated that total resources amount to \$665,912,821 and appropriations total \$654,006,362. He noted the budget development parameters and stated that the major impacts driving the budget included Memorandum of Understanding increases and Public Employee Retirement System (PERS) rates. Specifically for the General Fund, he stated that the recurring appropriations of \$129,342,340 are fully offset by the recurring revenues which total \$129,438,975, leaving an estimated Fund Balance of \$96,635.

Mr. Torrez reported that the non-recurring budget projects a deficit of \$3.1 million which is offset by the use of the PERS Stabilization Fund and UUT Set Aside reserves. He then noted the approved discussion papers, which included: addition of the Kennel Attendant and Forensic Specialist positions; restoration of two police officer positions; addition of two police cadet positions; Citywide training; and, ramping up for the enhancement of the BurbankBus circulator. He also noted the approved non-recurring discussion paper items: Additional Infrastructure Appropriation; Wildwood Park Restoration; PerformArts Grant; Audit for Efficiencies; Land Use Entitlement Verification Program; and, the Free Tree Planting Program.

Mr. Torrez then discussed the notable fee changes to the water, electric, sewer and refuse rates, which he stated would have an estimated monthly residential impact of \$7.30 per month. He also noted that the City's Gann Initiative Appropriations Limit for FY 2006-07 is \$136,356,986 with the appropriations subject to the limit totaling \$99,833,207, and highlighted that the City is well below the limit by \$36,523,779. He requested that the Council conduct the public hearing and give direction to staff to prepare the appropriate resolutions for adopting the budget.

Ms. Teaford, Public Works Director, discussed the proposed sewer and refuse rate increases.
