Limit Mr. Torrez, Financial Services Director, requested the Council, Redevelopment Agency Board, Housing Authority, Parking Authority and Youth Endowment Services Fund Board adopt the Fiscal Year 2006-07 Citywide budget, Fee Schedule and Appropriations Limit. He stated that the proposed resolutions incorporate all the changes that the Council has directed during the several budget study sessions and the public hearing held on June 6, 2006. He elaborated that the changes included additions to the recurring and non-recurring budgets, a reduction of the green curb striping fee and the smoothing of sewer and refuse rate increases. He also added that per Council direction, Lifeline customer rates will be maintained and noted that the Council has received a report with staff's recommendations regarding the allocation of the additional \$1 million to the infrastructure reserve fund.

Following deliberation, there was consensus to approve staff's recommendation regarding the allocation of the additional \$1 million in the infrastructure reserve fund, with direction that staff find alternate funding for the Police/Fire Headquarters repairs and allocate the associated \$300,000 to the sidewalk repairs and street resurfacing category.

Dr. Gordon expressed support for the budget with the exception of the utility rate increases.
